Dear Parent/Carer

The Rock Hill Climb

Last Friday students from Years 2 – 10 participated in The Rock Hill climb. It gave me great pleasure to see the students, staff and parents actively learning together. I would like to thank Mr Jon Morgan and Mrs Traci Driscoll for organising this fantastic opportunity for our students. A full report and photos are on the next page.

We would also like to say a big thank you to Shane at The Rock Butchery for very kindly supplying the sausages for our bbq.

Reports and Parent-Teacher Interviews

Teachers are busily assessing and reporting on your child/children’s learning. Primary and Secondary reports will be issued on Monday 22nd June 2015. Primary parent-teacher interviews will be held on Wednesday 24th June from 3pm - 6pm. Notes regarding this will go home soon. These interviews are a great opportunity for parents to share in their child/dren’s learning journey. If you are unable to attend on this date, please contact the school office to arrange a more appropriate time to meet with your child/children’s teacher.

Premiers Sporting Challenge

Staff and students at TRCS are again participating in the NSW Premier’s Sporting Challenge, which aims to engage young people in sport and physical activity and encourages them to lead healthy, active lifestyles. The Premier’s School Sporting Challenge involves primary and secondary school classes participating in a 10 week sport and physical activity challenge. We will be starting in Week 6 of this term and finishing in Week 5 of Term 3. A class may accumulate time spent in a broad range of sports and recreational pursuits during lunchtime, in-school sport programs, class time, after school or in weekend physical activity.

Review of Special Religious Education

Spelling Bee

Primary students in Stage 2 (Years 3 & 4) and Stage 3 (Years 5 & 6) will be participating in a class spelling bee and a school spelling bee final this term. The students who finish first and second in each section will represent our school at the Regional Spelling Bee Competition. The school spelling bee final date will be advertised for parents and carers to attend.

Educational Websites

Below is a short list of educational websites that students can access at home to revise learnt topics at school. All games are curriculum based, engaging and enjoyable for students to practise learnt concepts.

What a fantastic adventure this day was, with fabulous weather and eager students, staff and parents. The students thoroughly enjoyed the climb and were delighted to complete the trek and see the awesome views from the top.

Before the climb, we were given an insight into the importance of this landmark to Aboriginal culture by Shane the Indigenous Liaison Officer from Kapooka Army Centre.

We were ably assisted by Kapooka Army Training Centre personnel and thank Jon Morgan, Quentin, Steve, Shane and Steve for their encouragement, support and guidance to everyone. It is wonderful to have a connection to such a valuable service.

It was also fabulous to see so many parents and carers attending and assisting with the catering. Thank you to Kim for the BBQ and refreshments, which were devoured when we returned.

Thanks also to the students who climbed The Rock Hill sensibly and for encouraging and supporting each other. It was great to witness this cooperation and teamwork. Lastly, thank you to the staff for their support of this venture. We look forward to doing it again next year!

7. Keep an open mind…

As kids are not developed mentally enough to take in all perspectives of an event, it is important to keep an open mind when children are telling you about an incident. If it upsets you, ask questions and think about what seems to make the most sense. If you are still unhappy, talk to the teacher.
